

## Agreement

This is to declare that \_\_\_\_\_ (M.Sc. student) and \_\_\_\_\_ (mentor, Bonn) and \_\_\_\_\_ (mentor, Cologne) agree to engage in a student-mentor relationship while the student is a member of BCGS.

The membership in the BCGS requires the prior enrolment of the student in the M. Sc. program at the University of Bonn or the University of Cologne. Depending on where the student is enrolled, the M. Sc. program follows the rules and regulations of the respective University. Apart from the obligations stipulated in these rules and regulations, during the two-year phase of reading for the degree of Master of Science (M.Sc.) the student is subject to the following obligations. He/she shall

1. take part in research internships (Age Group I only).
2. hand in semi-annual short reports.

All reports are to be sent to both mentors as well as the BCGS administration.

Both mentors shall read the reports carefully and comment on the student's progress. They agree to support the student with regular meetings and discussions.

Student members are expected to contribute in an appropriate manner to BCGS events such as workshops, poster sessions, advanced courses, and joint lectures between the two departments.

To facilitate the efficient operation of BCGS administrative matters, the student member agrees to cooperate with the Administrative Director by supplying copies of documents and certificates, communicating any changes of personal data, and meeting deadlines.
